LIVESTOCK AUCTIONEERS & VALUERS

LONGTOWN MART - BORDER BREEDS

Annual Evening Sale of Choice In-Lamb Hill Breed females & selected Ewe Hogs by registered sires.

Tuesday 19th February 2019. Show at 4pm. Sale at 5pm

Following the success of the last two year`s sales, we will again be holding an evening sale of choice in-lamb hill breed shearlings and ewes, as well as selected ewe hogs by registered sires.

With many breeders already promising some exciting stock, we again anticipate a good entry with many of last years purchasers, as well as new purchasers to the company enquiring and expressing much interest in the sale.

The Cheviot Sheep Society will again be holding a show, with classes for aged ewes, gimmers and ewe hogs.

Sheep can be sold individually, in pairs or in trios and will be classed as follows:

- North Country Cheviot (Hill)
- North Country Cheviot (Park)
- South Country Cheviot - show & sale for the Cheviot Sheep Society
- Blackface

We would ask that you please advise us of entries by completing the enclosed entry form or one available from our website www.cdauktionmarts.co.uk and returning it to our office at Longtown before Tuesday 5th February 2019.

To aid with the marketing and promotion of your stock, pictures of sires and service sire`s can be added to the catalogue. In addition to this, in the build up to the sale, pictures of the females can be added to the website, as well as shared to Facebook.

If you would like more information about this sale, then please feel free to contact us:-
