

BLUE TONGUE REGULATIONS (From 10th September 2026)

The area covered by the TCZ is here [Bluetongue Interactive Map](#)

TCZ = Temporary Control Zone (As per above Virus map)

RZ= Restricted Zone (England & Wales)

FREE ZONE = Scottish Free Zone (Out of TCZ)

- The Temporary Control Zone (TCZ) will become a Restricted Zone (RZ).
- **Sheep and cattle** (Except Breeding Bulls and In-Calf Females) can move throughout the whole of Scotland, England and Wales.

If moving from the Restricted Zone to the Free Zone, this is conducted under the general licence EXD698(GB)

- Breeding Bulls and In-Calf Females vaccinated with Bultavo3 can move throughout the whole of Scotland, England and Wales, without restriction.

If moving from the Restricted Zone to the Free Zone, this is conducted under the general licence EXD697(GB)

Breeding Bulls and In-Calf Females not vaccinated with Bultavo3 will require a clear PCR test in order to move into the Scottish Free Zone.

- Unvaccinated Breeding Bulls and In-Calf Females cannot enter the Scottish Free Zone.

A General Licence will be made available for all movements from the Restricted Zone (RZ) to the Free Zone (FZ).

The above information is provided by the auctioneers to the best of their current knowledge, without liability and may be subject to change.

<https://www.gov.scot/publications/bluetongue/pages/movement-restrictions-from-1-june-2026/> will give you the most up to date available information regarding what classes of animal can move and under what terms.
